Please note that you may receive your payment earlier than your chosen date. For example if your payment day is on a weekend or bank holiday.

Section 5. Lifetime Allowance

The Lifetime Allowance (LTA) is an overall limit on all the pension savings you have built up over time with all providers. If the value of your total pension savings with all providers and the benefits you are taking exceed the LTA or are near to the LTA you should speak to your financial adviser in the first instance. This is because you could be liable for a Lifetime Allowance tax charge on the savings that exceed the LTA, unless you have applied for some form of pensions protection. If this is the case and you wish to proceed with this application you will need to complete an LTA form and provide us with information, unless your financial adviser has already done so on your behalf.

If your overall benefits are within the LTA you will be asked to sign a declaration in this application to confirm this. You should be aware that HMRC can impose a fine if you make a false declaration about the LTA. Please complete the following questions if your overall benefits are within the LTA:

Section 5a. Benefits that came into payment before 6th April 2006

	Pension benefit 1	Pension benefit 2	Pension benefit 3

If you leave this section blank we will assume that you have no other pension benefits in payment.

Section 6. Purchase of a Guaranteed Annuity

This section applies if you want to use all of your funds to purchase a Guaranteed Annuity. If this is the case, the amount we eventually receive from your transferring scheme(s) may be greater than the amount in your Retirement Account illustration. In these circumstances any excess funds cannot be used to purchase additional Guaranteed Annuity. Instead the excess funds can be invested in our range of Pension Drawdown funds or paid to you as a taxable lump sum.

In the event of there being some surplus funds, please indicate your wishes below by ticking one box only:

Pay as a taxable lump sum **OR**

Important note: Investments in the Cash Account are subject to the same annual product charge that applies to the Pension Drawdown investment funds.
